> <meta name="Generator"> Quistis' Memories

This is a poem from Quistis POV. I'm doing one for all the characters just give me a little time. Here's the first one

Quistis' Memories

I was an instructor

I was successful

I was liked

Yet not loved

What I did wrong

I know not

I was told I had the wrong qualities

I guess it must be true

I was orphaned

Brought to a bad family

Then I left for garden

A Seed by the age of 15

I was never truly happy
Only once was I at peace
At the orphanage
I was like an older sister
My friends were there with me
Squall, Zell, Selphie, Irvine, Seifer
And then there was Sis; she was a true friend
She was the sister I never had
After she left
I had to fill her place
That's why I thought I had feelings for Squall
I felt so sorry for him
Now I have true friends
Friends who like me for who I am
Friends who trust me
I'm no longer alone
What I remember are the times I had
The Time I share with my true friends

End
file.
